Mat Boggs Introduction

Good evening and welcome. You are going to want to hang onto your seats because you are in for an absolutely amazing experience! It is my privilege and joy to introduce tonight's speaker.

At the ripe old age of 28, he and his best friend embarked on a 12,000-mile cross-country adventure, seeking out couples who have been married over 40 years, in order to learn their secrets to everlasting love.

Since then, he has co-authored a best-selling book entitled, *Project Everlasting: Two Bachelors Discover the Secrets of America's Greatest Marriages*, published by Simon and Schuster. He's produced a documentary film, hosts his own international radio show, and has two television shows in development with Hollywood production companies. He's appeared on dozens of national media including: *The Today Show*, *CNN Headline News*, *Fox and Friends*, *Oprah and Friends*, *Good Morning America*, *the Hallmark Channel*, to name just a few.

About a year ago Mat was speaking at a dream-building conference when Bob Proctor from the hit movie and best-selling book, *"The Secret"* saw him speak and said, "I want that guy on my team!" Since Mat has been one of Bob's elite faculty of teachers dedicated to helping people all over the world build their dreams, and achieve extraordinary results.

I invite you to get out your goals and open your mind because you are in for a fantastic ride. Please stand up, put your hands together and help me welcome international speaker and best-selling author, Mat Boggs!
